

Neighbourhood Watch at Bluestone

BLUESTONE
M T B A R K E R

NEIGHBOURHOOD WATCH UPDATE - Monday 29th May

Congratulations to our very own Bluestone resident Lesley Forrest who was announced as the new Secretary of Mt Barker Neighbourhood Watch.

The top five tips to come from this meeting were:-

1. Build rapport with your neighbours. They are your best form of security.
2. Make sure your neighbours are aware of your occupation and the schedule you keep through the week. ie shift work/young children.
3. If you have a party then inform your neighbours as early as possible
4. Take care when parking your car. Ensure you are not parked across your neighbour's driveway.
5. Make sure you operate your lawnmower, chain saw and power tools after 8am on Saturday and 9am on Sunday

BLUESTONE DOGGIE DAY

A big thank you to the residents who attended the first Bluestone 'Doggie Day'. A special thank you to the APEX Club, local vet Kirsty Hailstone, The Mt Barker Per care Centre, RSPCA volunteers and Behavioural dog trainer Alexis Davison for supporting this event.

Hot Tips

reminder
