## BLUESTONE COMMUNITY SURVEY RESPONSES

In July this year I sent out a survey to 150 households at Bluestone. 50 completed surveys were returned. Some interesting results: week nights (60%) and weekends (80%) were identified as the most preferred times to attend events. The most popular groups residents wish to join were Movie Nights (50%), Fitness (40%), Cooking (40%) and Walking (37%).

Your responses allow us to tailor our community events and activities for you.

If you have not completed a survey and would like to do so please email me at [stephney@bluestonemtbarke.com.au](mailto:stephney@bluestonemtbarke.com.au) and I will forward one to you.

## NEIGHBOURHOOD WATCH 'shared meal & meeting'

NW members and Bluestone residents had a enjoyable evening on Monday 15<sup>th</sup> August gathering in the warmth of the Land Sales Centre to socialise and share a meal. Guest speaker Heather Bunnell's (local Insurance broker) top tips for household insurance were:-

1. Be careful what you buy, cheap insurance might not necessarily be the best
2. Make sure you tell your insurer when you move – this is a common mistake
3. Ensure you understand the EXCLUSIONS in your policy – they are very important when it comes to claiming

For further information contact Heather at Shield Insurance on 8391 3400.

## AROUND THE GROUNDS

Neighbourhood Watch signs have now been placed at East Parkway, Laver Street and Barker Road.
